

(In the Specifications)

On page 6, between lines 3-4 please add the following:

For example, the number of described above transmission is not changing the patent from the spirit of the invention, because of no new matters. It means that two modifications such as single sideband transmission, or double sideband transmission have the same rights to exist in the identified vehicles. The two mentioned above modifications have been approved by two types of bicycles and there has been prepared a videotape, which can be mailed to USPTO upon request.
